The Margate Business Association is offering **two \$2500 scholarship awards** to Margate or Longport student residents who have attended Margate elementary schools (public or private), will graduate from an area high school in May/June, 2022, have been accepted to and will be attending an accredited institution of higher learning, and best fulfill the following requirements:

1. Submission of a type-written, double-spaced essay in response to the following:

Bullying is a growing problem in our country and abroad. Your task is to write a 250-300 word essay expressing your thoughts about bullying. Explain what it is and why you believe people bully. In your essay, give at least one concrete example of bullying you have observed in school, on the playground, wherever, and tell how the incident affected you or how you responded. And, finally, suggest at least two possible ways that you and your generation might help to eliminate this growing problem.

In your essay do not identify yourself by name.

2. Three (3) adult references (not related to the entrant):

- A. A classroom teacher
- B. Someone associated with the student in extra-curricular activities
- C. A community sponsor providing a personal character reference

3. A list of K-8 elementary/middle schools attended

4. A list of high school activities

5. A list of club, volunteer, or community service activities (current or past)

6. A list of any special honors and/or awards

7. Name of college/university you will attend in Fall 2022, and proposed major

PLEASE NOTE: We strictly adhere to the eligibility criteria and deadlines. Without exception, applications that do not meet all of the criteria, are missing required elements, or arrive after the deadline are screened out of the process and are not considered for an award.

I have completed and attached my essay **which I declare is my own original work**, the form listing K-8 schools attended, school, community service, special awards, and the **three required adult letters of reference**, unless those reference letters are being submitted independently.
